DOD JOINT TASK FORCES TO SUPPORT LAW ENFORCEMENT AGENCIES

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 4, 2021

Mr. GARAMENDI. Madam Speaker, today I introduce legislation to make permanent and expand the U.S. Department of Defense's authority to use funds from the counterterrorism and drug interdiction budgetary account for federal interagency Joint Task Forces.

These DOD Joint Task Forces coordinate the military and federal agencies on counter-narcotics, counterterrorism, or counter-transnational organized crime activities. United States Africa Command (AFRICOM) and the U.S. Fish and Wildlife Service use this Joint Task Forces funding authority to conduct anti-trafficking and poaching activities in Sub-Saharan Africa. As the former Deputy Secretary of the Interior during the Clinton Administration, I strongly support USFWS's International Affairs Program and wildlife conservation work globally, particularly by that agency's law enforcement officers.

Since first authorized by the National Defense Authorization Act for Fiscal Year 2004 (Public Law 108-136), Congress has renewed the authority for these Joint Task Forces several times on a temporary basis. Without Congressional action in the NOAA, this authority will sunset at the end of fiscal year 2022. As chairman of the House Armed Services Subcommittee on Readiness, I plan to make permanently reauthorizing this critical authority a priority during the FY2022 NOAA conference negotiations.

In the House-passed FY2020 NOAA (Public Law 116-92), I secured directive report language on the military's support for combating illicit trafficking, including wildlife and wildlife products. Making the authority for these Joint Task Forces permanent builds upon that work.

Madam Speaker, I look forward to continue working with my colleagues on the House Armed Services Committee to support AFRICOM's efforts with other federal agencies to combat wildlife trafficking and poaching.

KEN KLEIN RETIREMENT

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 4, 2021

Mr. GRAVES of Missouri. Madam Speaker, I rise in recognition of the retirement of Ken Klein, who has served as the Executive Vice President for the Out of Home Advertising Association of America (OAAA) for the past two decades. During his time at OAAA, Ken has

driven the billboard industry into a new era of public service.

Ken spearheaded the OAAA's public-service partnerships with various agencies and non-profits—including the Federal Bureau of Investigation (FBI), Federal Emergency Management Agency (FEMA), and the National Center for Missing and Exploited Children (NCMEC)—to seek new ways to inform and protect Americans.

The FBI partnership is an excellent example of how law enforcement, the private sector, and the public can collectively bring criminals to justice in today's digital age. As a result of Ken's efforts, the FBI has new tools to promote safety and rapidly share information in dangerous situations.

The collaboration and the speed with which digital billboards can publicize crucial fugitive and crime-related information was key to the success of numerous investigative efforts in 2020. For example, outdoor advertising helped nab the "Travelling Bandit"—a serial bank robber—in 2019 and raised awareness on a notorious drug cartel fugitive in 2020 after the individual was added to the FBI's "Ten Most Wanted Fugitives" list. All in all, the FBI credits the capture of 58 fugitives as a direct result of billboard publicity.

Digital billboards have also proved to be a vital tool in disaster preparation and response. A case study posted on FEMA's website reports that, "Digital technology enables quick delivery of emergency messages via high-tech billboards. Public-private partnerships harness these high-tech signs to inform the public about weather warnings, evacuation routes, and safety-related information."

Advances in technology mean that the billboard industry can deliver information in ways unavailable a generation ago. The message on a digital billboard can be changed by computer in an instant.

On August 1, 2007, the I-35W Bridge collapsed in Minneapolis. Within 15 minutes, emergency messages were displayed on digital billboards throughout the area.

After Tropical Storm Fay in August of 2008, 37 different messages were displayed on more than 75 digital billboards in 11 counties in Florida.

When Albuquerque experienced a natural gas emergency, the city quickly posted messages on digital billboards asking the public to lower thermostats and reduce hot water usage.

Immediately after the massive Japanese earthquake in 2011, tsunami warnings appeared on digital billboards on the West Coast.

Finally, Ken also led a partnership with the NCMEC. Because of his hard work, more than 500 AMBER Alerts have been displayed on digital billboards across the country. Law enforcement and NCMEC rely on these high-tech signs to help locate missing children and to apprehend child abductors.

Please join me in extending congratulations to Ken, on the occasion of his retirement, for his successful leadership of OAAA's public-private partnerships, and his contributions to public safety.

Mr. NORCROSS. Madam Speaker, after 40 years of culinary experience, Chef Jonathan W. Jernigan will be remembered fondly as a true pillar of his community. Jonathan Jernigan began his career in cooking with a job at McDonalds, going on to then graduate from The Restaurant School of Philadelphia, work at Cherry Hill's Greenbrier Restaurant and Camden's Harbor League Club before arriving at Cathedral Kitchen.

Chef Jernigan remained a key contributor to the Cathedral Kitchen until July 2020, when he chose to pursue owning a food truck. His character followed him wherever he went and left an irreplaceable impression on those he met.

HONORING GILBERT GEORGE
PROSEK

HON. MIKE BOST

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 4, 2021

Mr. BOST. Madam Speaker, I rise today to honor the life of Gilbert George Prosek, a World War II hero who lost his life in the Pacific Theater in 1944. Gilbert was born October 1, 1921, to George and Theresa Prosek of Chester, IL. He was known to his friends and family as "Gib," and he was familiar for his happy-go-lucky perspective on life. Gilbert lost his father when he was five years old, with he and his mother looking after one another until she remarried to Ben Sebastian. Gilbert had three half-sisters: Helen, Shirley, and Joyce. At 16 years old, Gilbert took a job at the Prim Hosiery Knitting Mill. He enlisted in the Marines at 21, in 1942. The last time most of Gilbert's family saw him was at his going away party, the day he left for basic training. After receiving a Private First Class ranking, Prosek was stationed on Cape Gloucester, New Britain Island. There, he made three charges across a stream to put an enemy gunman out of action and provide covering fire for another member out of his platoon. During this act of heroism, Gilbert's position was exposed and he lost his life. His family was awarded the Navy Cross for extraordinary heroism and devotion to duty. Madam Speaker, please join me in honoring Gilbert George Prosek of Chester, IL, as we mark 100 years since his birth. On behalf of Southern Illinois, we thank him and his family for their selfless sacrifice in defense of our freedoms.
